

PL023 Prospera Foot Smoother

The Prospera Foot Smoother buffs away hard skin on your feet, and rough skin in other body areas in just a few minutes. You will feel so smooth and beautiful afterwards. Touch and Can you feel it?

Prospera grinding roller adopts unique trace mineral grains, soft and comfortable. Grinding head rotate 360 degrees allows efficient and complete cleaning of rough and dead skin.

This electronic device is easy to use, just turn at the indicated line, and the device is turned on. Move the foot smoother back and forward once or twice in the area to remove dead or rough skin. We also include extra one regular and two coarse replaceable heads to help you to manage and shape nail and other body skin areas effectively. Enjoy the wonder from Prospera Quality Product!
