PL019 iRoller Portable Massager

Instantly roll fatigue away after a long day with Prospera's iRoller Portable Massager! Place it on your back, your abs, thighs, calves, or feet, and move it in a back and forth motion for a satisfying vibration massage. The soft silicone reflexology points promote blood circulation. Select from two levels of intensity for maximum comfort. Prospera's iRoller massager also has a water tank – fill with hot or ice cold water to enhance the massage experience. Made from environmentally-friendly material, this lightweight, portable device is perfect for the home, the office and for travel.
