DL007 Ceramic Hair straightener and curler 2 in 1 (white)

You can curl, flip, straighten, or smooth your hair with the versatile Ceramic Hair straightener and curler 2 in 1. Use advanced Positive Temperature Coefficient (PTC) ceramic fast-heating.

Key features:

- It features Heat Defense System that offers maximum heat protection and straightening performance to your hair
- The 3" length high-end ceramic plate used in this hair straightening flat iron reduces heat damage and provides consistent heat and pressure to each hair follicle that differs by shape and size
- In 60 seconds, the flat iron gives out 320° F temperature, so you can get proper straightening or curling outcomes in fewer strokes
- No hurry, turn on the power, let it warm up in a minute or 2, brush your teeth, put on your clothes and start to work on your hair
- One-touch switch, 360° swivel cord.
- The ceramic coating perfectly seals the hair cuticles and maximizes moisture retention
- This professional ceramic flat iron generates long lasting, frizz-free results
- The color box prints a black color iron, you will receive an elegant white product with rose gold trim.
- Easy to use, and result in elegant curly hair

How to curl with this iron

Take a small section of hair & Wrap the hair to the back

Twist the iron all the way up

Use:

- 1.To curl your hair, please see the illustration in the image.
- 2.To straighten your hair, take a small section of your hair, simply pull the flat iron all the way down.
